Staff Spotlight

Mrs. Lang ~ 3rd & 4th Grade Teacher

Why do you love to teach? *I love to teach because I love to learn.*
What's your favorite food? *My favorite food is the Word of God.*
Random Fact about Me: *I have walked on the Great Wall of China.*

PRINCIPAL'S CORNER

Will eating certain foods make you smarter? YES

According to two new studies from the Center for Nutrition, Learning and Memory at the University of Illinois, the nutrient lutein—found in many fruits and veggies—can positively affect your child's test scores and grades.

The Bible supports this research as we read in Daniel 1:12,

Please test your servants for ten days, and let them give us vegetables to eat and water to drink.

It is interesting that Daniel and his companions, who requested to eat vegetables only and not the king's rich foods, were considered brighter and wiser than all the others. Needless to say, God knows something about nutrition. So, pack some veggies and fruits in your child's lunch; it may do them more good than you think!

February Birthdays

Pastor Pete 2.2
Irie Celmer 2.7

Update on CCCA Fundraiser Funds –

Thank you for participating in this year's fundraisers so far! Just wanted to keep you all updated on some of the items we have purchased with fundraiser money to better our school. Each classroom received a Dyson Air Purifier to help with the air quality and keep germs at bay. We are also purchasing a new drinking fountain with filtered water! Nice!

Save the date - We have a Pizza Rev night coming up April 19th. More details to follow....

Thank you for your continued support!

Go Knights!
